

S.R.P.

11-24-1983

He is a player for the Saint Louis "Cardinals" whose name is Carl Birdseye. He was playing, on 11-24-1983, with the "Cardinals," who were playing the Dallas "Cowboys."

The Powell family were watching the football game on television and S.R.P. remarked that the Birdseye fellow is, in all probability, a descendant of George and Anna (Squire) Birdseye.
